## Introduction

In 2015, as it was in line with the provisions in Subclause 11.4 of the CEN-CENELEC Internal Regulations, BT/TCMG on behalf of BT decides that Technical Committees preparing hENs in support of Regulation EU 305/211 (CPR - Construction Products Regulation) could develop Technical Reports to include examples of CE marking and Declaration of Performance (DoP).

These examples are especially useful for SMEs.

This Technical Report does not supersede the provisions of the CPR.
