## Bitumen and bituminous binders – Examples for CE Marking and Declaration of Performances (DoP)

---

## National foreword

This Published Document is the UK implementation of CEN/TR 17499:2020.

The UK participation in its preparation was entrusted to Technical Committee B/510/19, Bitumen and related products.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

## Introduction

European harmonised standards in support of the Construction Products Regulation (Regulation (EU) No 305/2011) (CPR) do not contain examples of CE marking.

This document is not aiming to replace or supplement the Construction Products Regulation (Regulation (EU) No 305/2011) and all terms of responsibility remain as outlined therein. However, this Technical Report is aiming to assist communication by providing examples. More detailed information can be found at [https://ec.europa.eu/growth/sectors/construction/product-regulation\\_en](https://ec.europa.eu/growth/sectors/construction/product-regulation_en).

## 1 Scope

This document provides examples of Declaration of Performance (DoP) and CE Marking for bitumen and bituminous binders for use in the construction and maintenance of roads, airfields and other paved areas.

NOTE 1 Only harmonized technical specifications (product standards or ETAs) cited in the OJEU are the basis for drawing up the Declaration of Performance.

NOTE 2 The product standards this document is related to, are listed in the bibliography.

NOTE 3 The EC database of all harmonized standards is available at <https://ec.europa.eu/growth/tools-databases/nando/index.cfm?fuseaction=cp.hs&cpr=Y>.

## 2 Normative references

There are no normative references in this document.

## 3 Terms and definitions

For the purposes of this document, the following terms and definitions apply.

ISO and IEC maintain terminological databases for use in standardization at the following addresses:

- IEC Electropedia: available at <http://www.electropedia.org/>
- ISO Online browsing platform: available at <http://www.iso.org/obp>

### 3.1

#### AVCP

Assessment and Verification of Constancy of Performance

### 3.2

#### CE Marking

marking by which the manufacturer indicates that the product is in conformity with the Declaration of Performance for the construction product

Note 1 to entry: CE Marking, in the scope of the CPR, is not a certificate of conformity, it stands for the commitment of the supplier to compliance of the construction product with its Declaration of Performance.

Note 2 to entry: Declaration of Performance and thereafter CE Marking are mandatory for any construction product falling within the scope of a European harmonized standard.

### 3.3

#### CPR

Construction Products Regulation - Regulation (EU) No 305/2011

Note 1 to entry: This document is available at <https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=CELEX:32011R0305>.

### 3.4

#### DoP

Declaration of Performance of the manufacturer for a construction product

### 3.5

#### Notified Body

Notified product certification body
